

GLÖRIL BRESSAY

Jan 15th / 16th

2022

1pm - 7pm

Glöril means a chink in the darkness. It aims to bring people in the islands of Shetland together both in person and online.

“Best weekend ever - Can’t believe we got this opportunity on our own doorstep!” Louise, Unst.

Come and join Helen Robertson in the Speldiburn Cafe to create your own lampshade. Helen will share her wire knitting secrets with you. There will be patterns available or you can design your own! All materials and equipment provided free of charge.

A teatime snack will be provided for a donation to Bressay Development Ltd. This class is open to Bressay residents, both past and present. Limited spaces so booking essential.

To book contact Kathy on 07753191474 or Bressay Development's office number 01595 820706.
